Instructions

These instructions allow for the space of 1 inch between the panels

1. Hold PANEL 1 (10X26) up to the wall where it will go. This is the first panel, so allow plenty of room for the other five panels. mark the top of the piece with a pencil. Measure 1/2 inches down from this spot. Place your first nail here. This is where PANEL 1 will go.
2. Measure 12 inches to the right of nail 1. Place your second nail there. This is where PANEL 2 (12X16) will go.
3. Measure 17 inches down from nail 2. Place nail 3 there. This is where PANEL 3 (12X12) will go.
4. Go back to nail 2. Measure 19.5 inches to the right. Place nail 4 there. This is where PANEL 4 (8X25) will go.
5. Go back to nail 2. Measure 13 inches to the right and 9 inches down. Place nail 5 there. This is where PANEL 5 (12X20) will go.
6. Measure 13 inches to the right of nail 5. Place nail 6 at this spot. This is where PANEL 6 (12X18) will go.
